

## **Register to Attend Economic Development Engagement Sessions**

**Your input will help inform the Baker-Polito Administration's economic development strategy.**

**Commonwealth of Massachusetts**  
Executive Office of Housing and  
Economic Development

Please join Lt. Governor Karyn Polito, Secretary of Housing and Economic Development Mike Kennealy as well as municipal officials, legislators, and community and business leaders for a regional engagement session to inform the Baker-Polito Administration's economic development strategy for the next four years.

These engagement sessions offer an opportunity to connect with local economic development leaders on their priorities as the Executive Office of Housing and Economic Development (EOHED) writes a new economic development plan to be signed by the Governor at the end of this year. The new economic development strategy will guide the administration's legislative agenda.

*5/10/19 NOTE: Engagement Sessions in Berkshire County, Central Massachusetts, Greater Boston, and the Cape & Islands have been added to the form and are now accepting registrations.*
