

# ARE FLUCTUATING ELECTRIC COSTS INTERFERING WITH YOUR BUDGET?

Join with other RAM members and benefit from the certainty of a fixed rate in our **Stable Rates Program Powered by Freedom Energy Logistics**

## Who Qualifies for Stable Rates?

All MA rate classes, **however meters served through municipal utilities are not eligible**. Residential accounts must be accompanied by a business enrollment to be eligible to participate in the program.

## Benefits of Stable Rates Program

Your energy cost will be fixed and predictable. There is no guarantee where the energy market is going - flat, down, or up - but the current market conditions have created a great opportunity to lock in an excellent fixed rate for your business.

## Who is Freedom Energy Logistics?

Locally Owned and Operated, Freedom led the charge to bring energy savings to business and residents in NE. They were the first to introduce dynamic pricing to end users in New England. Their proven procurement methods & innovative portfolio management have saved local businesses millions.

## READY TO GET STARTED?

Members **NOT CURRENTLY UNDER A LONG TERM ELECTRICITY SUPPLY CONTRACT** may email/ fax a copy of their latest electricity bill (for each meter to be enrolled) to [Info@RetailersMA.org](mailto:Info@RetailersMA.org) or fax to 617.523.4321. The rate and term will be provided in an enrollment form. If you like it, sign it and send it back.

All rates will be based on market conditions at time of enrollment. Contract terms may be shortened in an effort to move all participating RAM members onto a common renewal date to improve long term group buying power.
